

The image contains two architectural drawings. The top drawing is a detailed elevation of a storefront, likely for a retail store. It features a large central display window with the text "VICTORIA'S SECRET" and "LBOX180 MARKETING" visible. The storefront is flanked by side windows and includes various annotations for dimensions, materials, and construction details. The bottom drawing is a floor plan of the same retail space, showing the layout of the storefront, interior rooms (Beauty 1 Room #4, VSL 1 Room #1), and a central void area. It includes dimensions, room numbers, and references to other drawings for details.
